Fact Sheet

CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION

SPECIAL SESSION BILLS

Bills Introduced within the Second Special Session Sponsored by CDCR:

AB 1 (Lieber) — would authorize CDCR to contract for 4,500 female beds to provide treatment and housing for non-serious/non-violent female offenders

AB 2 (Spitzer) and SB 3 (Battin) — would authorize CDCR to construct additional prison capacity at existing prisons within the State. Would also allow CDCR to house male inmates at the Northern California Women's Facility in Stockton.

AB 4 (Parra) and SB 1 (Runner) — would allow CDCR to construct two new prisons and also allow CDCR to construct up to 5,000 reentry beds throughout the State.

AB 5 (Bermudez) and SB 2 (Runner) — would allow the Department to site and operate a training facility in Southern California. Would also allow CDCR to use the Fred C. Nelles facility in Whittier to either house inmates or to train staff. Would authorize CDCR to conduct its own in-house psychological screening of peace officer candidates.

AB 6 (Benoit) and SB 4 (Dutton) — would allow CDCR to use the design-build construction method for building existing or new prisons throughout the state.

AB 9 (Lieber) — would authorize CDCR to contract for up to 4,000 male community correctional facility beds.

AB 10 (Lieber) — would authorize CDCR to contract for up to 5,000 out-of-state beds to house undocumented felons.
